Alert Brookline is the Town of Brookline, MA emergency notification system that keeps citizens informed in the event of an emergency or other significant event. You can sign up free of charge for this service by clicking here .

Legal Notice:
The Blackboard Connect(Alert Briookline) system is a private vendor contracted by the Town of Brookline to increase notification opportunities to the public in emergency situations. Decisions to use the system, the messages which are sent through the system, and the areas to which the messages are sent will be made through the exercise of discretion by Brookline Emergency Management staff depending upon the circumstances of the emergency. The Town does not control telephone or electric systems, and the service makes use of computers and software, all of which may fail from time to time. Therefore, there is no guarantee that any or all telephones intended to be contacted will actually be contacted by the system. The Town of Brookline accepts no responsibility or liability for any failure of the system to contact any person or telephone. By registering a telephone number with the system, the user accepts and agrees to these provisions.
