International

Car Free School Day

**Brookline families join with
4 million students in 44 countries...**

**Walk your child to school
Bike / Rollerblade / Skate***

*** Helmet Required!**

Ride the School Bus or T

- Meet the crossing guards, greet your neighbors;
- Talk with your child(ren) about street safety and the health benefits of not driving.

Car-Free School Day is good for children and families, it's good for the environment. Help build a community where neighborhoods are full of people, not cars.

Sponsored by: Public Schools of Brookline and the School Green Teams; Brookline Departments of Public Health and Recreation; Climate Action Brookline; Selectmen's Climate Action Committee
