6:00 p.m. to 8:00 p.m.

Please join the Brookline SEPAC and The Federation for Children with Special Needs For “Basic Rights, Understanding the IEP” Workshop presented by Tracey Morgan.

This presentation was developed to help families gain a deeper understanding of the IEP Document. We will talk about why it is important, how it is developed, and the different sections of the document.

Further discussion will focus on types of services that may be included and measurable goals. You will also learn about what to do when you receive a proposed IEP and parent’s procedural due process rights for resolving disputes.
