**Brookline Preservation Commission**  
**MINUTES OF THE July 15, 2021 MEETING**  
**Held Virtually using Zoom Online Software**

**Commissioners Present:**

Richard Panciera  
Wendy Ecker

**Staff:** Valerie Birmingham

**Applicant:** Greg Tankersley

---

Mr. Panciera called the meeting to order at 3 PM.

Mr. Tankersley presented revised plans. Mr. Panciera motioned to accept design which moved the garage back away from the corner of the house and ask that the glazing on the glazing on the corner portion of the house being closed in to more closely match the fenestration pattern of the windows on the first floor (bringing the glass lower and reportion the panes); and accept the removal of the chimney at the left rear of the building but retain (disassemble and rebuild with the same exterior materials) the other two chimneys proposed for removal. Also accept the removal of the metal chimney caps. Final review of details to staff or Mr. Panciera and Ms. Ecker. Ms. Ecker seconds the motion; both vote in favor.

Meeting adjourned at 4:02 PM.
