

APPENDIX A: ADA ACCESS SELF-EVALUATION

Part 1: Administrative Requirements

1. Designation of an ADA Coordinator

Sarah Kaplan, of the Brookline Department of Diversity, Inclusion and Community Relations, serves as the Town's ADA Coordinator and Community Relations Specialist. Please see Exhibit A, *ADA Coordinator Designation Form*.

2. Grievance Procedures

Please see Exhibit B, *Town of Brookline Grievance Procedure under The Americans with Disabilities Act*.

3. Public Notifications Requirements

Below please find the ADA Town Notice, as provided by Sarah E. Kaplan, the ADA Coordinator.

The Town of Brookline does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities. The Town of Brookline does not discriminate on the basis of disability in its hiring or employment practices.

This notice is provided as required by Title II of the Americans with Disabilities Act (ADA) and by Section 504 of the Rehabilitation Act of 1973. Questions, complaints, or requests for additional information may be sent to Sarah E. Kaplan, Community Relations Specialist and ADA / Section 504 Coordinator.

Please see Exhibit C for examples of recruitment materials and publications.

4. Participation of Individuals with Disabilities or Organizations Representing the Disabled Community

This Self-Evaluation was completed in collaboration with the Staff of the Brookline Commission on Disability.

Part 2: Program Accessibility

1. Facility Inventory

Please see Exhibit D, *The Parks and Open Space Facility Inventory*, prepared by the Brookline Department of Diversity, Inclusion and Community Relations.

2. Transition Plan

Caitlin Haynes, Assistant Director of the Brookline Department of Diversity, Inclusion and Community Relations, prepared the below transition plan for the Division of Parks and Open Space:

The DPW Division of Parks and Open Spaces is located at Town Hall, 333 Washington Street, 4th Floor and is accessible by elevator. The department oversees the conditions assessments, management and maintenance of community parks, historic parks, neighborhood parks, passive parks, school playgrounds, conservation areas, traffic medians and islands, and reservoirs and water supplies (77 total properties) as well as 3rd party audits of play equipment. All meetings convened by the department take place in Town Hall, as well as other fully accessible town buildings, such as the Public Health Building.

The Division of Parks and Open Spaces provides equal opportunity to people with disabilities to participate and benefit from their programs. There are no separate services or programs for people with disabilities, but there has been more focus on Universal Design as the department moves forward with new renovations. The department has an informal process to respond to reasonable accommodation requests. The department has an informal procedure to deal with requests for communication requests, such as an interpreter, video relay, or other auxiliary aids and services. The ADA Coordinator explained the procedure for dealing with a communication accommodation request from residents. The ADA Coordinator will be distributing a written procedure as discussed, that will be further distributed to necessary department employees.

Physical assessments were completed by the ADA Coordinator, accompanied by the Parks and Open Space Director over a period of several months. A detailed chart of each assessed park and playground is in a separate attachment.

An Action Plan to address some of the issues follows here. This is not to say that items not listed on this Action Plan are fully compliant or do not need to be addressed, however, the items here are attainable and are ways to address accessibility without renovating an entire park. The ADA Coordinator recommends addressing the following by April 2019:

- 1. Harry Downes Field – Add the appropriate signage to the accessible restroom*
- 2. Skyline Park - Add the appropriate signage to the accessible restroom*
- 3. Soule Recreation Center - Add the appropriate signage to the accessible restroom*
- 4. Judge Henry Crowley Park at St Mark's Square – The only HP spot (corner of Vernon) is adjacent to the ONLY inaccessible park entrance. This spot should be moved to an accessible entrance.*

Part 3: Employment Practices

Below please find a statement regarding employment practices for the Town of Brookline, as provided by Caitlin (Haynes) Starr, Assistant Director of the Office of Diversity, Inclusion, and Community Relations.

The Town has employment policies that address ADA in compliance with the law.

*Caitlin (Haynes) Starr, M.P.H
Office of Diversity, Inclusion, and Community Relations - Town of Brookline

Town of Brookline Grievance Procedure under The Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of public accommodation services, activities, programs, or benefits by and within the Town of Brookline.

The complaint should be in writing and contain information about the alleged discrimination including name, address, phone number of complainant and location, date, and description of the problem.

Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or their designee as soon as possible but no later than 60 calendar days after the alleged violation by mail, email or via the Town website form to:

Sarah E. Kaplan
ADA Coordinator & Community Relations Specialist
11 Pierce St.
Brookline, MA 02445

OR

skaplan@brooklinema.gov

OR

<http://www.brooklinema.gov/formcenter/office-of-diversity-inclusion-and-community-relations-8/brookline-discrimination-report-form-63>

Within 10 calendar days after receipt of the complaint, the ADA Coordinator will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, the ADA Coordinator will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will reiterate the specifics

EXHIBIT B (Continued)

of the complaint and attempt a resolution. If necessary, the complainant may offer feedback and comments on the proposed solutions and request to meet with Department or public entity within the Town of Brookline that the complaint is against. A final response will be issued within 15 calendar days of the requested meeting.

If the final response by the ADA Coordinator does not satisfactorily resolve the issue, the complainant may contact the Massachusetts Office on Disability at (617) 727-7440 for assistance of filing directly with the Massachusetts Commission Against Discrimination or the Department of Justice. All written complaints received by the ADA Coordinator and written communication in regards to the complaint will be retained by the Town of Brookline for at least three years.

CONSERVATION COMMISSION

LEGAL NOTICE

M.G.L. Chapter 131, section 40
Massachusetts Wetlands Protection Act
Brookline Wetlands Protection By-Law

Notice of Intent

In accordance with the Massachusetts Wetlands Protection Act, M.G.L. Ch.131, s.40, as amended, and the Brookline Wetlands Protection By-Law, the Brookline Conservation Commission will hold a public meeting on Tuesday, October 30, 2018 at 7:05 PM to review a Notice of Intent submitted by CDM Smith on behalf of their client, the U.S. Army Corps of Engineers-New England District (Corps), for Phase 2 of the Muddy River Flood Damage Reduction Project, including excavation of several portions of the Muddy River, vegetation management and restoration. The meeting will be held in Brookline Town Hall, 333 Washington St. The public is invited to attend. Additional information is available by calling the Commission at 617-730-2088 or visiting the Commission's office on the 4th floor of Town Hall during business hours.

Marcus Quigley
Chair

The Town of Brookline does not discriminate in its admission to, access to, or operations of programs or activities on the basis of disability or any other characteristic protected under applicable federal, state or local law. Individuals who are in need of auxiliary aids for effective communication in Town programs or activities may make their needs known by contacting the Town's ADA Compliance Officer at 617-730-2345. Assistive Listening Devices are available at the Public Safety Building for public use at Town of Brookline meetings and events. Those who need effective communication services should dial 711 and ask the operator to dial the Town's ADA Compliance Officer.

EXHIBIT C (Continued)

Seasonal Park Ranger

Department:	Department of Public Works-Park
Location:	870 Hammond Street Chestnut Hill, MA, 02467
Salary:	15.00/hr
Minutes Walk to Public Transit:	10
Job Close Date:	Open Until Filled

The Town of Brookline is seeking qualified candidates to patrol Brookline Parks and Open Spaces, provide visitor support for park users, educate the public of pertinent rules and regulations, assist with daily maintenance and stewardship, and serve as a positive presence in the Town's Parks, Open Spaces, and Sanctuaries. The Park Ranger is responsible to:

Patrol park and recreation areas by vehicle, foot or other means to promote public safety, protect the Town's capital park assets and inform and educate patrons about the rules and regulations governing the use of Town parks and facilities. In addition to regular park visitors, this includes monitoring the Green Dog (off-leash) Program and various permitted activities such as athletic groups and permitted parties.

Act as primary park ranger overseeing weekend services at Larz Anderson Park: Monitor park use, review/issue picnic area and special event permits, enforce rules and regulations, maintain facilities, and provide visitor support and information.

Interact/engage with park visitors townwide— provide visitor support and knowledge regarding Park/Town facilities and policies. May provide staff support at Parks events and programs.

Perform routine maintenance, landscape services and care of facilities, grounds, pathways, picnic areas, and pavilions throughout the parks, open spaces, school grounds, and horticultural areas of the Town. Clean, stock and maintain public restrooms and barbecue areas.

Perform trail maintenance and improvement projects in passive parks and nature sanctuaries. Implement invasive management strategies to control and limit the impact of aggressive, non-native plant species in the Parks.

Utilize various control techniques to manage the resident and migratory Canada goose population in several sites throughout Brookline, including cleaning up goose droppings and repairing damage.

Bachelor's degree in a related field or 2 years relevant work experience strongly preferred. Applicants must have a Class D driver's license and be available to work a variable schedule including evenings, holidays and weekends. Applicants must be able to communicate effectively with a variety of people in various situations, use a computer, measuring instruments, identification keys, and hand tools. Applicants must have the ability to work independently and make independent judgments and decisions concerning a course of action with park management issues. Starting salary \$15.00 per hour. Open until filled.

The Town of Brookline is an equal opportunity employer and dedicated to maintaining a diverse workforce.
