

Bluebikes Hospital Workers Program

The Town of Brookline and its municipal partners in Boston, Cambridge, Somerville and Everett are excited to announce that the Bluebikes Hospital Workers Program is being extended to May 31, 2020. This program offers free 30-day membership to area hospital workers allowing unlimited 45-minute trips in Bluebikes municipalities.

If you were already utilizing this program, you were automatically enrolled in the extension through May 31st.

If you are a hospital worker and would like to sign up, please take the following steps:

1. Please review the list of hospitals and contacts on the City of Boston website at <https://www.boston.gov/news/free-bluebikes-being-offered-hospital-staff> and email that contact at your hospital from your hospital account to receive a code.
2. If your hospital is not listed, please have an administrator from your hospital email marketing@bluebikes.com to join the program.
3. The contact at your hospital will email you a code.
4. Once you've obtained a code, please visit <https://member.bluebikes.com/register/step1?edPurchaseId=5ea9f515744ce> and redeem that code to receive your membership.

If you have any questions, please visit the Bluebikes website at:
